

BLOCK OF THE MONTH

2022-2023

Join us as we ROCK THE BLOCK. You'll start with your own 16 1/2 x 16 1/2 center block. It can be pieced, appliquéd, or even a panel. You'll have two months to make the center and we will add 4 borders around it using different techniques every other month.

LET'S GET STARTED
