Tina Curran

This month we welcome Tina Curran, who is local, but making a pretty big splash all over the quilting world. We are definitely in for a treat with her wonderful art quilts.

Art Quilts by Tina Curran <http://www.tinacurran.com>

Photo Credit: Sam Lane

My interest in making art quilts was jump-started by seeing my dear friend, Sara, take a variety of patterned fabrics, cut them into pieces and combine them in such an artistic way. As a life-long sewer (having experienced my first sewing triumph with a skating skirt I made in Girl Scouts), I took to quilting quickly. One of the great thrills with this art form is that my options are as infinite as those of a painter working on canvas -- landscapes, portraits, geometric patterns, abstract impressions, etc. I enjoy both the deep American roots of traditional quilting and the unlimited possibilities today's art quilts present.

Combining elements of both extremes is great fun, as I often use contemporary fabrics in century-old quilt patterns.

My art quilts have been on display in multiple art shows and quilt shows as well as in national quilt magazines ("Quilters Newsletter" magazine and "Quiltmaker") over 20 times and in three books (including Ricky Tims' "Kool Kaleidoscopes").

While I have no formal art training, I have taken some wonderful classes over the years. However I know my greatest learning has come in the over 10,000 hours I've spent making more than 125 art quilts to date. And it's exciting to realize that there seems to be no end to this learning curve.

President's Corner - Debbie Myers

Debbie, working on her first quilt in 1990, with the help of Junior, her cat.

LOOKING BACK...AND FORWARD

The end of the year is a time for reflection for many people—witness the holiday letters that you’ve received over the years with friends’ photos and tales of their travels and family doings.

In some years past, I sent photos of the quilts I’d finished—which amused friends and relatives to no end I’m sure. During the past week, I made a list of what I’ve gotten done this year: five pillows, three quilts (for me), one for the Marine Corps’ baby shower, and two tops that I quilted and finished for Philanthropy. That’s it...I thought it was more.

My outlook brightened however, when I learned of Hiroko’s idea for the January 2023 Show & Tell. **It is this: bring the first quilt that you ever made.** What a far better way to look at the past and how far we’ve all come!

It will be a RETRO experience for some of us. And for those of you who have just begun quilting, it will be refreshing to discover that we’ve all traveled the same road—making mistakes and unfortunate color choices along the way.

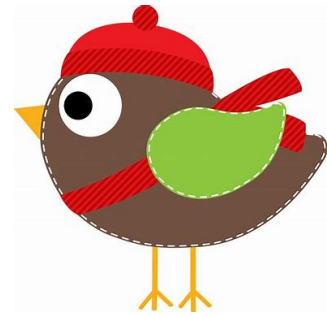

So, looking at the past year in the rear view mirror, 2022 was a welcome addition to my “grand quilting adventure” which began in 1990. It was certainly leaner than in my earliest years but better and richer for all the quilting gadgets and wonderful fabrics that are currently available.

Best of all has been the journey and the friends that I have made along the way. What a long, strange trip it’s been! Bring on the 2023 episode!

If you haven't been there yet, stop by, it's a great venue. If you need

light.

We appreciate all the support of our Guild members! We are very
fortunate to have everyone's help! A special thanks to everyone who has
helped us make deliveries!!

This will warm your heart!

From: KATHRYN ALTER

Just wanted to stop by to say thank you to
the lovely creator of this quilt that was

donated at one of the military baby showers earlier this year. Our little one is now 6 months and her nursery is pink and green so it was cosmic that this was the quilt we were given. The work you all do is beautiful.

From Maggie Bell:

The 6 quilts I have had stored for several years (Bah humbug, COVID!) were the hit of the Dana West Yacht Club party for 50 Marines last week! Seeing the sparkles in the eyes of the winners as they hugged the quilts was so gratifying! And more than a few told me they wished they had won one, too, as we shared hugs when it was time for them to be bused back to Camp Pendleton.

Special thanks to Nancy Pestal, Linda Chiu, and all the members who shared their talents making the quilts.

BLOCK OF THE MONTH Holly Betz & Judy Kamman

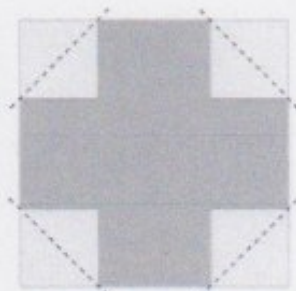

2022-2023

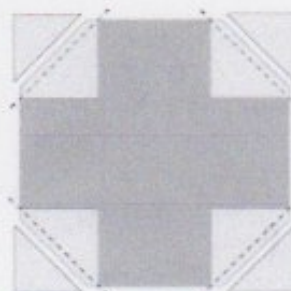

This is our final trip around the block. We are offering a “smorgasborder” of ideas to try. You have 4 1/2 inches to play with on this row. You could create a four patch design using any of the squares, triangles, or rectangle components from the previous borders. Add appliqué to your quilt using shapes to create vines or flowers choose your preferred method of appliqué – fusible, freezer paper, or needle-turn.

Your two side borders will measure 36 1/2 inches. The top and bottom borders will measure 44 1/2 inches. If you are using cornerstones you will have four borders each measuring 36 1/2 inches with 4 1/2 inch cornerstones Your completed top is now 44 1/2" square.

Here are some combination block options...

Snowball block:

Sew diagonally from corner to corner across the small squares.

Trim corners 1/4" away from the stitching. I save trimmed triangles to use later.

Press corners open to complete snowball block.

Two different sizes –**1. One large 4 1/2" snowball.**

Cut one 4 1/2" square

Cut 4 1 1/2" squares

Sew as directed.

2. Four Stacked snowballs.

Cut four 2 1/2 inch squares

Cut eight 3/4 " squares

Sew as directed. Sew the four small blocks into one 4 1/2" unit.

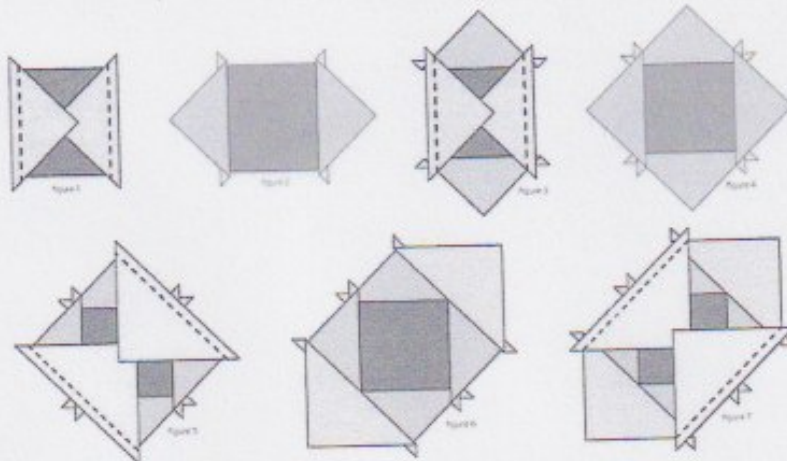

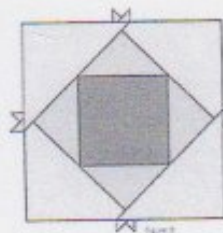

Economy block:

Cut one 2 1/2" center square

Cut two 2 1/2" squares, cut each square in half diagonally

Cut two 2 3/4" squares, cut each square in half diagonally

So together as shown below

Sawtooth Star Block:

- Cut 4 1 1/2" squares of background fabric**
Cut 4 1 1/2" x 2 1/2" rectangles of background fabric
Cut 8 1 1/2" squares for star points
Cut 1 2 1/2" square for the center

Make 4 flying geese units.

Place 1 1 1/2" Starpoint fabric square on a rectangle. Sew on diagonal and press open.

Sew the second square on the diagonal to complete one unit.

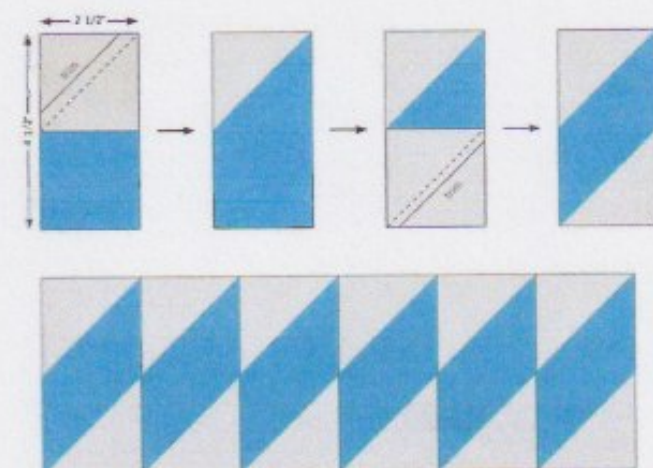

Sew one background square to each side of two flying geese units. Sew flying geese unit to each side of center square. Sew the three rows together to complete the block.

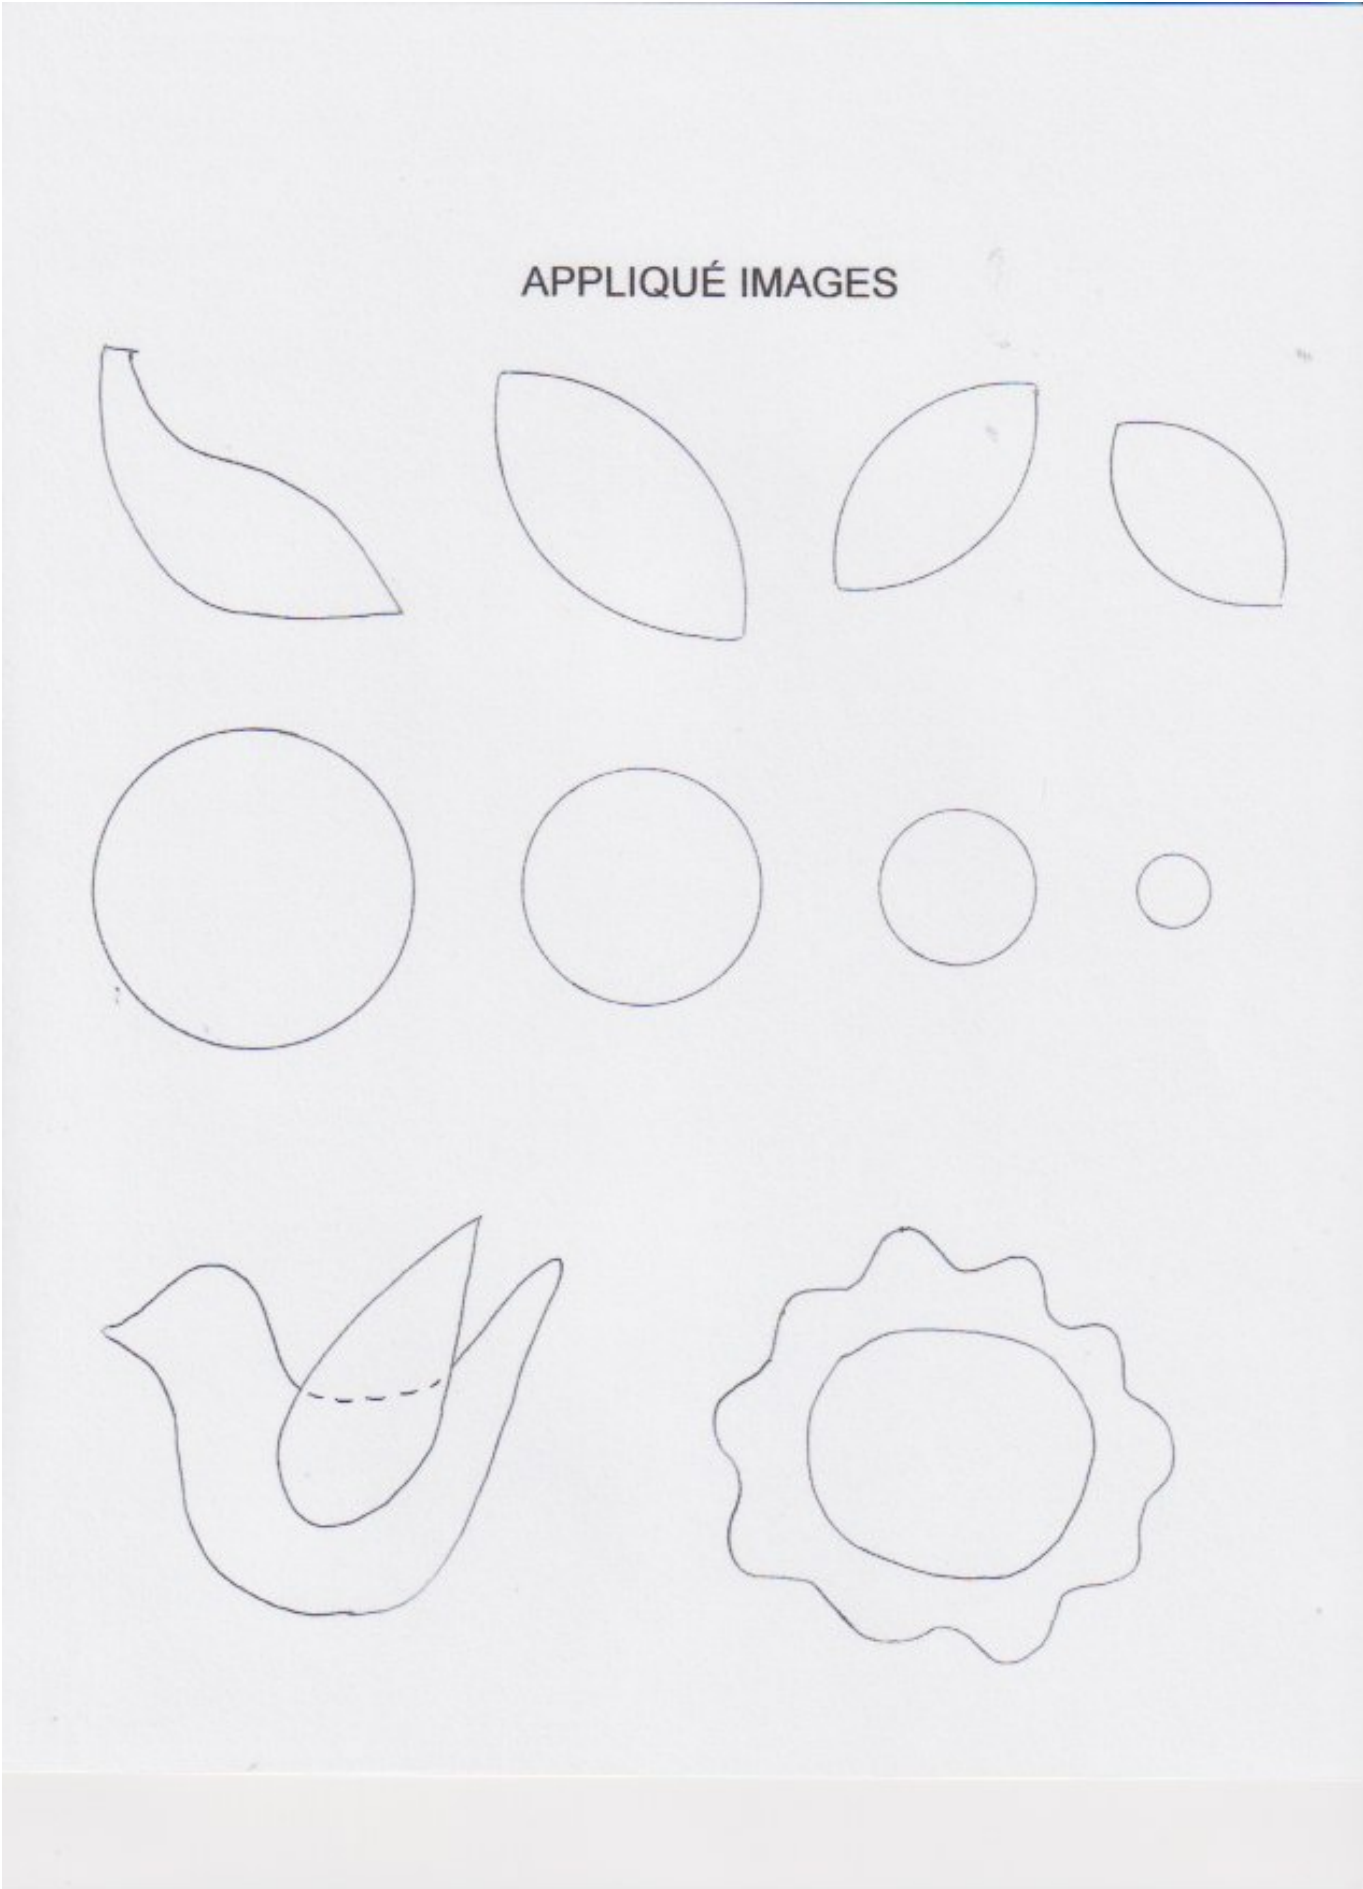

Diamond block

Cut one 4 1/2" x 2 1/2" rectangle

Cut two 2 1/2" squares of background fabric

Sew as directed

Nominating Committee - Mary Arter

Surfside Needs You!

We are planning for the 2023-2024 year for our guild, and we need your help to make it a great year. We need people to fill officer positions and lead our many committees. All of these people are responsible to plan and execute the many activities that the guild engages in.

Of special note: we will hold November Fest once again in 2023 (yay!) and will need a chairperson to lead it.

You can find descriptions of the positions on our website at:

[SQG Volunteer Form Rev 1/19.pages \(surfsidequiltersguild.org\)](https://www.surfsidequiltersguild.org/SQG_Volunteer_Form_Rev_1/19.pages)

Please consider volunteering to help operate the guild in some way. Any of the officer or committee chair positions can be shared by two people, so partner up with a friend or get to know somebody new! All positions have written procedures that tell you what you need to know, and you'll get crossover training from the person currently in the position.

Contact Mary Arter with questions and to volunteer.

Let's Get to Know - Susie Russell

Let's Get to Know...

Susan Ritschel

It was a surprise to interview Susan and get to learn about her past achievements. Some of you who live in San Clemente may recognize Susan as your past Mayor and City Council member from 1998-2006. Though Susan originally entered the working world in commercial real estate, she really was drawn to politics, wanting to serve her community. Susan has worn many hats in the community through the years. In addition to her City Council and Planning Commission service, Susan served as a member of the OC Transportation Board, the OC Fire Authority, and the California League of Cities.

Susan was named San Clemente Citizen of the Year in 2008 after successfully chairing the fundraising campaign for the new Senior Center.

When circumstances called her to take care of her father at the end of his life, she realized that nurses who were caring and skilled played a big part in the comfort, safety and dignity of a patient and their family. It was after his death that she moved from politics to studying to be an RN at Concordia University. This career path had an unknown (at the time) blessing because later she was able to care for her brother in the last weeks of his life.

When her boys were young, she took some time off and began quilting. She made baby quilts for her two sons which led her into the quilting world. Like many of us she learned to sew as a child from her mother. Many years later when her mom was living at the San Clemente Villas, they were both doing some sewing in one of the common areas. Our dear Margo Grube (deceased) who also lived there at the time noticed Susan and her quilting skills and was the one to introduce Susan to our guild!

Susan continues to quilt, enjoying piecing and some machine appliqué using bright and bold colors. If she isn't nursing, sewing or spending time with her family, Susan has time for a pickleball game or two, or enjoying a good book.

Look for Susan at our next meeting. She will delight you!

Sunshine & Shadows - Mary Harrigan

To all of us staying well, keep up the good work and continue to stay away from any flu, Covid, or cold germs that try to invade our space.

Unfortunately, debilitating cancer isn't as easy to combat! So please keep positive vibes and prayers flowing to member, Kathryn Firman, and to my daughter, Stephanie Harrigan, both of whom are struggling through their chemo routines. Any of us who have been there or have accompanied family and friends through this minefield know what a struggle it can be. Best wishes for speedy recoveries and only positive outcomes for both ladies.

President's Quilt - Mary Arter

President's Quilt for Debbie Myers

Let's show Debbie some love and thank her for her year as Surfside President by making an awesome quilt with the theme Fourth of July At the Beach! Make a quilt block that will remind her of this holiday on the sand and in the water. Your block can be pieced, appliqued, embroidered, colored, dyed—whatever you like.

Colors: Use a patriotic red/white/blue color palette or a bright color palette—Debbie loves bright colors. Use any background color that works with your color palette.

Block Ideas:

- 1--Fussy cut a design from a beach- or patriotic-themed fabric and appliqué to your background.
- 2—Make a pieced star block
- 3—Create an applique design
- 4—Embroider a design by machine or by hand
- 5—Make a pieced T-shirt block* using patriotic or beach fabrics
- 6—Or whatever else you can think of—be creative!!

*T-shirt block pattern & instructions may be found on the Surfside Quilters Guild website:

<https://www.surfsidequiltersguild.org/presidents-quilt.html>

You can add 3-D embellishments as long as they are within the 5" X 5" space and are sewn on securely. Keep in mind that everything will be quilted after assembly.

Block Size: Please make your block approximately 6" X 6" square, but keep your design within a 5" X 5" square area. The assembly team will trim the blocks to 5-1/2" square—we don't want to cut off any of your work!

Signature: Please remember to sign your name to your block, within the 5" X 5" space. I will have pens available at guild meetings for your use.

Schedule: I will collect blocks at the January, February, and March guild meetings. The final day to turn in your block is March 14—no exceptions, to allow the assembly committee time to do their work.

The Surfside Quilters Guild, a 501(c)(3) corporation was established March 2009 to promote quilting and fiber arts in the South Orange County area. The Guild offers the opportunity to share experiences with other quilters in an atmosphere of fellowship as well as to enhance the knowledge and skills of its membership. Newsletters are distributed via the internet. Meetings are the second Tuesday of the Month. Dues are \$40 annually for the membership year from May 1st through April 30th. Guests are always welcome for a donation of \$5. Membership and Volunteer forms are available on our website.
