June Message

Who knew a Change-Over Meeting could be "**sew**" fun! There seemed to be a lot of enthusiasm in the air. We were visiting with one another, congratulating Jeanette on a job well done as President, and waiting to see the beautiful quilt our Guild members made just for her. I want to thank everyone who helped in **sew** many ways: making the Surfside logo block, the beautiful appliquéd lettering, contributing a block, machine and hand quilting on the quilt and the extra art work on the back of the quilt.

I'm sure Jeanette will cherish this quilt for years to come.

We had a wonderful trunk show by our new and continuing Board members.

I'm **sew** excited about the board I have to work with this year. Thank you **sew** much for your willingness to serve with me. With all our heads working together, great things can and will happen this year for our Guild.

We are sad to be losing the Dutchers, David and Peggy this month. They will be moving to Ohio to be near family, but plan to return and visit. We wish them the best in their new adventure. As so many are moving away, it's exciting to be getting

new members as well. Two new members signed up in May: Gail Hodel and Paula Pangle. Look for little snippets about them in a future newsletter. We look forward to seeing you at the next Guild meeting in June. Stay happy, stay well, keep sewing.

Jeanette's President's Quilt

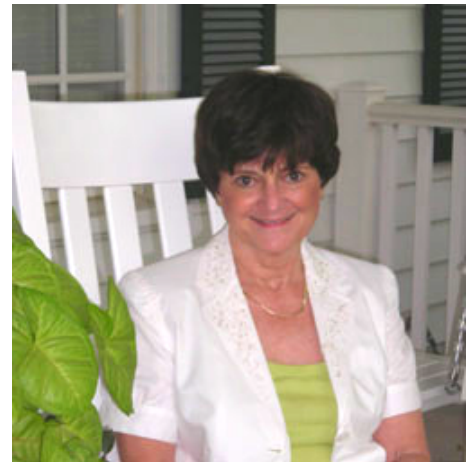

Wasn't it fun last month seeing Jeanette's face and large smile when seeing her quilt from all of us? Her quilt came out just perfectly with such beautiful blocks. It was so well deserved. She was a great President.

All of the past presidents' quilts may be viewed on the Surfside Quilters Guild website:

<https://www.surfsidequiltersguild.org/presidents-quilt.html>

Our June Speaker Nancy Prince

June's program will feature Nancy Prince. She is an award-winning quilt artist from Orlando, Florida. She specializes in thread painting which gives us quilters another way to make our quilts special and unique. Nancy's quilts have won numerous awards including "Best in Show" at the International Quilt Festival in Houston in 2014. Besides her many awards, she is also an author of two books on thread painting. Nancy prides herself on making thread painting easy for everyone to master.

From Jeanette....

Thank You, Surfsiders!

It was a wonderful May day when I was presented with the most beautiful President's Quilt from all of you! I knew that this Guild was very special. But this presentation of flowers just made it that much more special. I really want each of you to know just how much appreciated this quilt is to me and my senses of flowers, friends, and quilting. I'm loving the fact that I get to associate each of you with a wonderful flower or bird, or both. Thank you again so much. This was a great way to end my year as your President and now start as a Past President. Jeanette Brooks

FOR THE LOVE OF SEWING

Let's Get to Know - Susie Russell

Christy Valley

Having retired from a fast paced project management career, Christy is now finding it fulfilling having several projects going on at once such as thread painting, collaging, and piecing, as well as gardening, reading, and cooking. Slowing down doesn't seem to be in her vocabulary but she does occasionally find time to catch up on some movies and TV shows while enjoying her Vizslas.

Pam Swanson

Pam defines herself as a person who is committed to her family and close friends. Pam also loves to garden, read, travel, and shop at charity resale shops. She has time now that she is retired from a career at UCSD Medical Center in various areas of Laboratory Administration and Information systems. She worked there for 39 years which put her at the forefront of the computer age! One fantastic memory Pam has is connecting with relatives in her grandfather's birthplace and also being able to stay in the home where he was born and raised. Quite extraordinary!

Janet Crothers

Janet has lived in SoCal for 30 years but was originally from London, England. She describes herself as creative which shows in her interest in appliqué, EPP, knitting, and crocheting. All this creative energy gives her lots of works in progress! Janet is retired from a career in computer programming but currently is running a company with her husband. Though very busy, she hopes to find time to be better at hand guided long arm quilting.

Julie Layne (photo next month)

While parenting 4 daughters, Julie developed a business sewing classical tutus and other ballet costumes for local dancers. It was a natural fit since she had been sewing garments since her early twenties. During that time she gave quilting a try and decided it wasn't for her! She went on with her other hobbies of embroidery, cooking and fruit and vegetable gardening. But Covid hit and no one was needing tutus! She turned to quilting again and found a new love! Julie currently has her own long arm quilting and ballet costuming company called "Piece +Pointe."

Boutique: Sherri Peltier and Julie Kemmerer

It's a little over 5 months until November Fest. This year is already going fast. Any donations you have to donate, please start bringing them to our Guild meetings. Remember if you like something, someone else always does too.

June 6 at 10:15, Mary Arter will host a workshop at Quilt Passions in Mission Viejo. She will be demonstrating and making small thread catchers. Very, very cute. Come and join in or just come to make some mug rugs or whatever you have in mind.

July 18 at 10:15 again at Quilt Passions, Elizabeth Geer will host and will make hanging Christmas trees. A supply list will be sent out later as the date gets closer.

Contact Julie Kemmerer brokerjulie@gmail.com 949-813-5986 or

The Panguitch Quilt Walk Story

In June I'm always reminded of the true story of how quilts saved the lives of starving families. It was in the 1860's when a group of Pioneers settled in Panguitch, Utah. It gets really cold in the winters there and winter came early that year, causing them to have a short growing season. This caused them to not have enough food to last them through the winter. A group of 7 men volunteered to get food for the families. They had a hard choice to make. They could either go 115 miles to the north or 40 miles to the west over a mountain to Parowan. They chose the shorter route and started out with a wagon and 2 oxen, but the snow got too deep and they had to walk. They were sinking to their knees with each step, so that made their progress slow and arduous. Each of them had a quilt rolled up and tucked under his arm for his bed roll. By accident, they discovered that when they stood on their quilts they didn't sink into the snow as far. They decided to lay out their quilts, walked on them, pick them up and throw it out again. This is how they made it up over the mountain pass to Parowan to get food and flour for their families. This event is celebrated every June in Panguitch, Utah, and is called "The Quilt Walk." The picture is a beautiful statue in Panguitch of the event.
