**Wednesday, July 12**

**9:30 AM to 3:30 PM, Gloria Dei Lutheran Church (Dana Point)**

### Description:

Plant Impressions are prints of leaves on fabric or paper. The leaves are layered with the paper and fabric, bound and boiled. The images left behind are created by the tannins and dyes in the leaves. It is a fun process that produces unexpected prints that can be used in a variety of ways. In this workshop we will make a batch of leaf prints. The process will be explained and the students will layout leaves on pieces of fabric and paper.

During the lunch break the batches will be boiled. After lunch we will unveil our treasures. The students will experience the entire process. Each student will take home a small batch of prints.

**Pattern:** No pattern required for the workshop, but Shelley has a separate pattern available for \$5

**Supply List:** Pick up a copy of the supply list when you register. Shelley will provide all the necessary equipment, paper, and fabric and most of the leaves.

### ELEVATOR AT GLORIA DEI CHURCH

If you park at the lower end of the parking lot, walk through the garden maze. On the other side, below the old sanctuary, is an elevator. It will take you (and your fabric and sewing machine) upstairs just outside the Bankson Hall where Workshops and Philanthropy are held.

## Philanthropy - Linda Chiu & Nancy Pestal

We are searching for a room with storage! We love the large room at Gloria Dei Lutheran Church, but we have no storage space there. That means we need to go to the storage place, load our vehicles, drive to the venue, unload the vehicles. After the meeting we must reload the vehicles and take everything back to storage.

Whew !! It would be so nice to have a venue with some storage....so we are searching.

Please think about us when you are out in the community.

We know that together we will find a great place!

Fabric Sales in April \$105

.....

### **YOU are invited to participate in Philanthropy.**

Our group is for everyone who would like to work on quilts for the community. We meet on the 3rd Wednesday each month at Gloria Dei Lutheran Church in Dana Point.

May 17 is our next sew day, from 9:30 to around 1:30. Please stop by for any part of the day that you can, bring a sewing machine to do some sewing, help sort fabric, find backs for finished tops, or just stop in to see what we do there. If you haven't been there yet, stop by it's a great venue. If you need extra light when you sew, please bring a small light.

## November Fest Boutique Sherri Peltier, Chair

**In May,** we have two meeting dates since we don't have a workshop.

I plan on making pillows for both days:

**May 10** (the day after Guild meeting) and the following week with the Philanthropy gals on **May 17**. Our pillows will be 20 inches square so you can start planning ahead. We will do a zipper back which will require a 24 inch zipper and for the pillow backing, 24 inches of fabric by width of fabric. Both days we will work on constructing both the front and back of a pillow. I will demonstrate putting in a zipper multiple times so come when times are convenient for you. Bring your ideas and any fabric you want to use to make your project.

In June, Deanne Meidell and Holly Betz will take over our work day. Deanne will demonstrate using fabric and Mod Podge to cover flower pots. Holly Betz will demonstrate covering glass plates with a similar technique. I'm very excited about this. It's something I have always wanted to do. More info to follow as time gets closer.

In July, Julie Kemmerer, one of our newest members will take over our workshop with ideas for Christmas ornaments and stocking stuffers. She is the nicest person you will ever meet. She is kind and sweet, Surfside is so lucky, as am I, as she is helping me immensely with the Boutique.

In August, Elizabeth Geer, will lead our workshop with great ideas to make for our pets: toys, leashes, scarves, etc. which were great sellers at our last Boutique.

**Starting in May, either Julie or I will sit with Susan at the November Fest table to pass out any patterns or kits we have available and take any suggestions you have for us.**

**We will have patriotic table topper kits to pass out.**

**You can also turn in anything you have made.**

**Each month I will have a small show and tell with items turned in.**

## Monthly Mini - Katy Lillie

The April Monthly Mini was won by Pam Hadfield.

## May Monthly Mini

**April Showers bring . . . May Flowers!**

**This 23" square wall hanging was originally made by Chris Huben for BCQG's Monthly Mini in 2003! Jane Culbertson won it and after enjoying it for 20 years, has generously donated it to our Monthly Mini so someone else can enjoy it.**

**Thank you to both Chris & Jane.**

## Show & Tell - Angela Miller & Hiroko Moriwaki

The month we celebrate one president's successful year of guiding our guild and welcome the next brave person leading us into our 15th year.

Have you made a group quilt, has a group made you a quilt?

Have you made a Round-Robin quilt or a block exchange quilt?

We'd love to see them!

We enjoy all your new projects, of course. Your quilt friends like to see what you've been up to also. Grab your quilts and share them this month!

The theme was "Free to Fly."

### **Holly Betz Garden Song**

I made this in an appliqué class at Tall Mouse in 2004 with Beach Cities Quilters Guild. These are the smallest stems and yoyo flowers I've ever attempted. I added some embroidery as an embellishment.

### **Holly Betz Transformed**

My great-nephew, Orion, is into Transformers so I used black and reds. The pattern was taken from a Pinterest photo. Vivien did a great design with wool batting to keep him warm in Pennsylvania.

### **Monica Shafer Teeny Houses**

At QuiltCon I learned a novel way of tying quilts using wool threads to felt little pom poms with the thread tails. Fun!

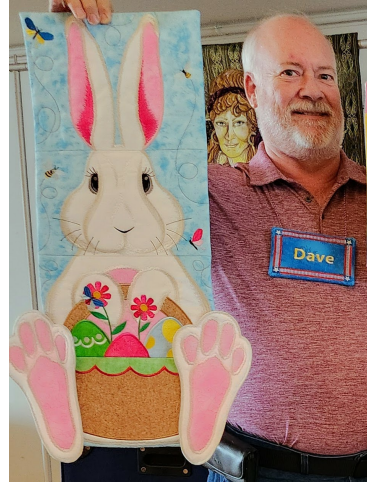

### **Nancy Ota Blooming Together**

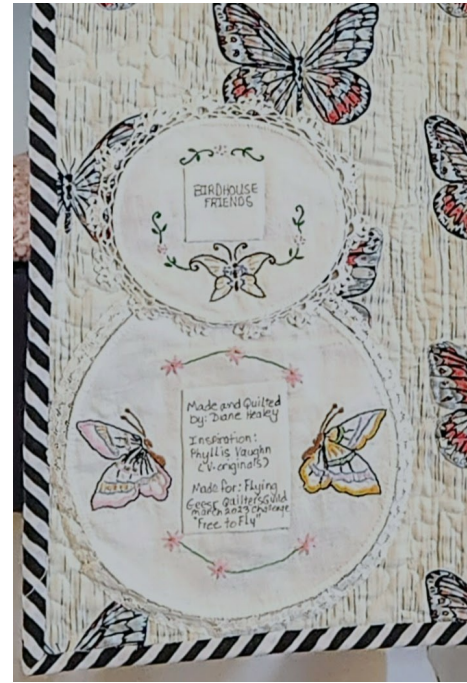

From Claudia Redfern's group celebration of National Quilt Day (2012) when quilters make multiples of different block designs to share using the same background fabric. This quilt was shown at Road to CA in 2016.

It won Judge's Choice from Sue Nickels at Pacific International Quilt Festival.

**Flower Quilt**

I bought this pattern quite a few years ago and made it several years later. It is raw edge appliqué with lots of free hand quilting done on it.

### Jan Hirth

I made this table runner for Beach Cities Quilters Guild for their June Monthly Mini. I made several of these years ago and couldn't find the pattern, so I traced the curve of the blue from my runner. The red and white strips are 2.5 inches. It is machine quilted in the ditch and around the stars.

Back of Jan's quilt.

### Jan Hirth

I made this totally English paper pieced butterfly quilt totally by hand. I was totally over paper piecing when I was done. I got the laser cut paper piecing set through Lillyella Stitchery. I chose the rainbow fabric for the background.
