Mary Mulcahey - President

First of all... October was another great turnout for our speaker Linda Ballard. I heard several very positive comments about her lecture, and the class was absolutely wonderful. Almost everyone got one or two blocks made and Linda has challenged us to all complete our quilts by our March meeting – Show and Tell will never be the same again after this extravaganza. October also was not to be outdone by the super and blue moons of August or the equinox in September. Unfortunately, I did not have enough advance notice to get everyone on board and staring at the

sky for a rare solar eclipse. Hope a few of you were able to catch it. I was in the middle of a

quilting class – what else?- and missed seeing it. I also didn't have my approved eclipse-watching eyewear.

November, alas, has no celestial phenomena of which I am aware but there will be Turkey Day with its own unique phenomenon. Turkey apparently has some chemical in it (don't worry it is a natural substance released when turkey is cooked) that renders you incapable of movement and cogent thought. Hence, the migration to the TV set to watch football, which you can do in a total stupor. November also brings us Houston, so we can walk until we can walk no more and spend money as if we actually had any (think Road 2 California on a massive dose of steroids). During that festive week it will be my sister, Stephanie's birthday. She's the one who lives up in Redding close to Linda Ballard, lucky girl, and it was her quilt that Mary Arter showed as the sample for the workshop these past few months.

Finally, November brings us.....November Fest! Yes, you have waited all year and at long last it is here. It is going to be awesome, a real shopping treat. Just so we don't end up buying each other's quilts, be sure to bring, drag, coerce (you get the picture) all the friends and family you can lay your hands on. They will thank you for it – really. See you all on the 14th.

Heidi Stagno

**Hand Guided Free-Motion Quilting Sampler
Level #1**

9:30 AM to 3:30 PM

Gloria Dei Lutheran Church - Dana Point

Description: *This is a technique workshop.* Join Heidi Stagno and learn how to create beautiful quilting designs that enhance your quilt top, by mixing rulers, feathers, and background fills.

#1 Ruler Work...Using rulers when quilting creates a beautiful framework for the texture and movement. Ruler work gives structure and purpose to the placement of all other quilting. In this class you will learn: how to properly hold and position rulers, how to mark your quilt for ruler placement, and how to maintain control of the ruler and machine to achieve precise quilting lines.

#2 Feathers...Feathers are the main characters in any quilt. The feathers will steal the show and make any quilt extra special. In this class you will learn: basic feather formation, how to quilt a multi-directional feather, and symmetrical plume size and shape.

#3 Background Fills...Background fills are the staple when custom quilting. It is last, but not least, when it comes to choosing the quilting designs for your quilt top. The purpose of the background fills is to showcase the featured quilting designs and support the definition of the ruler work. In this class you will learn: how to create a curling background fill to be used at any scale, how to fill a negative space with a systematic approach but looks random, and how to flip and rotate a design to give movement and fluidity to the quilt.

Pattern: There is no pattern required.

Supply List: Pick up a copy of the supply list when you register. Note: Heidi will have

supplies and practice quilt sandwiches available for purchase if you don't want to prepare your own.

Cost: The cost of the workshop is \$25. Please make checks payable to Surfside Quilters Guild.

Philanthropy - Linda Chiu & Nancy Pestal

CUSD Music Recorder Cover Project

CUSD Insider

Music students from Benedict Elementary check out their new custom fabric recorder cases donated by the Surfside Quilters Guild. Photo by Steven Georges/CUSD Insider

Excerpts from the article published on October 17, 2023 (See link below for full article)

Music teacher, Sharon Evans, gets to introduce the recorder to a new group of fourth graders in the Capistrano Unified School District every 12 weeks. The recorder, according to Evans, is the perfect starter instrument for elementary-age children to dip their musical toes into. With broken zippers and cloth cases that had shrunk, the recorder cases desperately needed to be replaced. "I started to wonder if there was a group of grandmas out there who liked to sew and who could make some for us."

Enter the **Surfside Quilters Guild in San Clemente**. A big part of their organization is philanthropy. Members are busy each year making pillowcases and blankets for children at Children's Hospital of Orange County, quilts for Marines, for seniors in the Meals on Wheels Program, and for kids in the foster system. Quilters from the Surfside Guild make and donate about 400 quilts a year.

This year when Co-Chairperson for Philanthropy, Linda Chiu, got the letter from Evans, the unique project was quickly approved, and the ladies of the Surfside Quilters Guild got to work.

December Holiday Stocking Project Debbie Myers

Holiday Stockings

OK! We have enough!

Thanks, everyone, we have about 230+ holiday stockings collected to date as well as many, many stuffers, and plenty of moola.

I appreciate all the well crafted stockings in super fun colorful prints—you outdid my expectations. PLEASE NO DONATIONS IN NOVEMBER AND DECEMBER...unless you've already got it made or purchased. We have enough.

Nancy Pestal's hall closet is bulging with your donations and **Jeanette Brooks** is dusting off her fastest shopping shoes to hit the dollar stores, Costco and internet.

Linda Chiu has lined up a number of charities including: Orangewood, Meals on Wheels in San Clemente, Dana Point and San Juan Capistrano, the Youth Shelter in Laguna Beach, Military Outreach and Family Assistance Ministries

in San Clemente.

We'll get stuff organized in the next month and at the December meeting, we can get these beauties stuffed and on their way to put smiles on quite a few faces.

A SUPER BIG THANK YOU!

Boro Shirt**

Many years ago Threads magazine had an article by Tara Arnold called "Design Ideas from an Issey Miyake Shirt." There were diagrams of the parts and suggestions on how to assemble it. My vintage pieces had holes, so I reinforced the threadbare areas with sashiko. I covered some of the holes with the embroidered patches my daughter makes and sells.

with Libby Williamson. Libby uses the canvas from house painters' drop cloths. She paints them using acrylic paints for the background. We roughly cut out our design and stitched them in place. Fast and easy...no stress.

**Jan Hirth
Spellbound**

During Covid, I joined a wool block of the week group on Facebook. For 12 weeks, we received a pattern which took me most of the week to complete.

Paper-pieced. Simple but lots of sewing. I finished piecing in Dec. 2022 when I had Covid. Elizabeth Geer machine quilted it with lovely vines and swirls.

I bought the kit 2 years ago here for \$45. Every piece including the center was turned edge appliqué! Kept me busy while watching my husband's "who done it" TV. It is an heirloom for my firstborn granddaughter, Rowan. Quilted by Vivien Hawker.

BLOCK OF THE MONTH - Mary Arter

There is no new block for November.

Use this month to get caught up on the first five blocks.
(Or get started!)

All the blocks to date are on the Surfside website and in the monthly newsletters. There will be a new block in December.

.....

2023-2024 Block of the Month Basket Collection

Join us and make a collection of baskets designed by Sandi Walton of Piecemeal Quilts. The nine blocks (each is 10" square finished) are pieced, then combined with

sashing and borders for a completed lap-size quilt (about 42 in. square).

If you don't want to make the entire quilt, make just a few blocks for a cute table runner. You can combine four blocks for a 20-inch pillow top or make a single block for a small pillow or a mini quilt suitable for hanging. The finished quilt would also make a great donation to Philanthropy. **See Mary Arter's Quilt above ... finished, quilted, bound!**

Choose your own adventure with your fabric choices: traditional prints, modern bright colors, red/green for a Christmas theme, red/white/blue for a patriotic quilt, or make it totally scrappy.

The Blocks: Every month from June through March (except November), directions for a new basket block will be published in the Guild newsletter and on the website, and it will be available as a hard copy at the Guild meeting. Also in March, I will have directions for sashing, cornerstones, and border. Use the month of April to get caught up and to quilt and bind your project. In May, bring your quilt top (doesn't need to be quilted), table runner, pillow, or whatever to the Guild meeting to show and for a chance to win a prize.

Fabric Requirements: To make the complete quilt, using the colors in Sandi's directions, you will need:

- 1 yard background fabric
- 1 fat quarter EACH of blue, yellow, green, pink, and red fabrics
- Small quantities of light pink, dark pink, light blue, and dark blue (these are used in only one or two blocks)
- 1 yard sashing/border fabric (I used the same as my block background fabric)
- 1 fat quarter for cornerstones

Used with permission: Copyright: This is pretty common sense stuff. Do not mass produce and sell quilts made from my patterns. Print a free pattern in its entirety as many times as you like and share it with your friends or guild. Use it to make quilts for gifts, fundraisers, competition, donation, or to make and sell singly. I'd love it if you send me an email if you're using it for something special, but you don't have to. Do not reproduce my instructions in whole or in part and sell them. For purchased patterns, the only additional restriction is that you cannot share the pattern without prior written consent. Please ask – I am open to sharing them depending on the request. It comes down to this: If the way you wish to use it could prevent me from selling a pattern, don't do it without asking me.

November 2023

**"I cannot even imagine where I would be today were it not for that handful of friends who have given me a heart full of joy. Let's face it, friends make life a lot more fun."
– Charles R. Swindoll**

Two bundles of joy were recently welcomed by the following guild members:

Mary Arter and her family welcomed Baby Wade on September 28. He is her elder daughter's fourth child and is their 5th grandchild. Congratulations!

A special welcome into the world goes out to Kelly Counsellor's new grandson, Clyde Banks, born on September 5th. Coincidentally, he is her 5th grandchild, as well. He was born to her son and daughter-in-law and weighed in at 8 pounds, 13 ounces.

We ask you to keep these friends in your loving thoughts and prayers:

We continue to hold dear Robin Free in our hearts as she continues on her journey through hospice. Again, she would love to hear from you. Her address is 27579 Via Fortuna, San Juan Capistrano, CA 92675. Her phone is 760-274-3424.

Gloria Rose is still recovering from her hip surgery. We wish her easier movement as each day goes by.

Sumi Maruyama continues to do well at her new home. Please feel free to send her cards at 2070 250th Street, Lomita, CA, 90717, or call her at 949-533-0158.

We are pleased to announce that Michelle Howe's quilt, "Christmas Village," received the Judge's Choice award at the Flying Geese Quilters Guild Quilt Show on September 16th. A hearty congratulations to you, Michelle!

Please contact me at deniseriley77@mac.com if you have any additions to Sunshine and Shadows. Be sure to put SQG in the Subject line. Also, please let me know if you would like to help with showing new members around our Guild meeting.
