I began sewing at a very early age. I remember sewing doll clothes by hand while watching my mother create costumes. Later, I was hired by Catalina Swimwear as a production manager and sample maker. Unable to work outside the home while raising five children, I designed custom bridal wear. In 1970, we developed a family business called The Outfitters, a retail chain for women's clothing. When I retired in 1995, I began quilting as a hobby. By using timesaving techniques in quilt making, I developed Appliqué the Easy Way™. I enjoy creating botanically correct appliqué featuring flowers, birds, and woodland creatures. My workshops feature all my original designs and published patterns. PRESIDENT'S CORNER

Betty Collins collins0430@sbcglobal.net 760-722-4796

The day after our guild meeting I was in Pat Beaver's crayon class with **Suzette Blake** and **Barb Seidel**. We reminisced about getting new crayons for Christmas or when school started and how wonderful they smelled when you first opened the box. We all had brand new boxes of crayons and we opened them around the same time. Ohh, that wonderful feeling when you looked into the box and saw all those beautiful colors with their perfect tips ready to be used for the first time. Crayons always remind me of school and the first days of September.

Betty Collins

Here it is the last week of September and summer is over. Soon the Halloween quilts and the fall quilts will appear. I have always loved the soft seasons, spring and fall, because of the colors, smells, the crispness in the air, and the delights of pumpkin breads, apple pies, etc.

We will be celebrating our big November Fest fund raiser on November 8th. The Ways and Means committee has done a fantastic job. **Becky McDaniel** has been an awesome committee chair. **Mary Mulcahey's** boutique is coming together well and **Julie Vlahos** is starting to receive beautiful quilts for the live auction. Lyn Mann will be our auctioneer again this year and she is a super auctioneer.

Remember to bring your raffle baskets, auction quilts, and boutique items to the October meeting. Also, if you want to contribute food we will be taking savory and sweet items this year. I love the hospitality table because there are amazing items on it.

Lunch Reservations at Rocco's

Maggie Bell MBELL62@aol.com 949-488-3011 Lynn Tweet lynntweet2@gmail.com 949-481-4335

Come one, come all! Well, at least 20 of us. Lunch at Rocco's on Tuesday, October 11th will consist of salmon with pesto sauce and all the other accompaniments that complete our delicious meal. Remember, if you make your reservation, you are responsible for the \$18.00 if you cancel out at the last minute and we don't get a minimum of 20 meals ordered. Please call or e-mail Maggie Bell to put your name on the list. Parking is allowed at Sit'n Sleep lot or join the walkers at the base of the outside steps after the meeting.

UFO GROUP

Marjie Butterworth marjieb@cox.net 949-940-9167 or 949 606-4506Cell
Johanne Gibson johannegibson@cox.net 949-495-7360

Next meeting: **Friday, October 28th** (and every **4th Friday**) Time: 10:00 - 11:30 AM
Meeting Place: Seaside Villas Clubhouse, 33715 Surfside Dr, Dana Point.

The UFO ladies showed some very unique and beautiful items this month as well as sharing ideas and techniques for members to use in future UFO's.

Oct 28th will be the final meeting for 2016, and we will be working on item **#8**.

This will also be the time to "share our spare", an opportunity to pass along an item that we no longer need and hope that another member may be able to use.

November Fest

Becky McDaniel homekybeky@sbcglobal.net 949-362-9911
Katy Lillie katyillie@gmail.com 949-487-0005 Julie Vlahos juliev10@cox.net 949-661-2522

We are just about one month away from November Fest!!!

We still need people to sign up to bring food for our party! This year we are asking for something savory, which can be: crackers and cheese, deviled eggs, cucumber sandwiches, quiche..... you get the idea ☐ We also need people to bring: muffins, scones, breads as well as fruit skewers or just fruit.

We have a few spots we need help with setting up the Fest on Monday, November 7th as well as on the day of the Fest.

Come to the November Fest table at the back to see what you can do to help.

If you have a basket to donate, before and after the October meeting we will have a couple of cars waiting to take your donation. Be sure to have your basket all wrapped up and a donation form attached, filled out with what has been donated. If you need a copy of the donation form, it is on the website under forms.

Julie Vlahos is still accepting donations for the live auction! You can get those to her even up until the auction ☐

This year we will have the boutique in addition to the raffle baskets and auction. I have seen some of the wonderful things that have been made and donated. I can hardly wait to see it all put together and to see other items I may not have seen yet!

Please get the word out to all of your friends about our November Fest! We will accept credit cards as well as checks and cash. The guild is charged a percentage for credit cards, so if you are able to bring cash, it is much appreciated ☐

November Fest is almost here!

November Fest Boutique

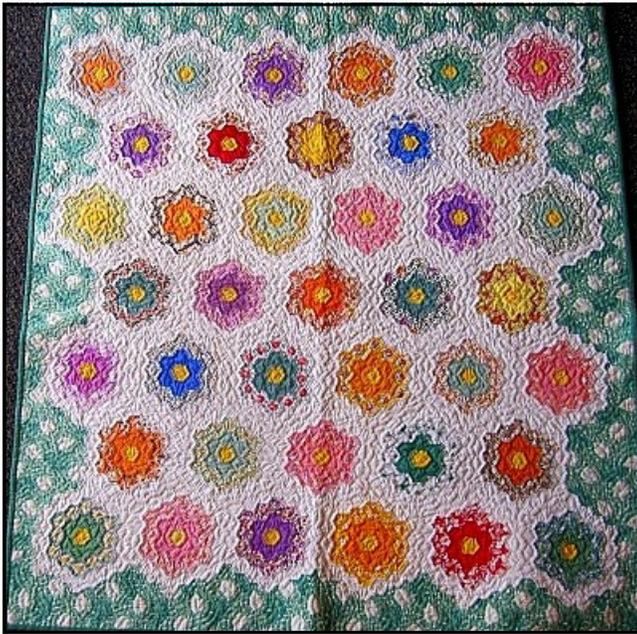

Mary Mulcahey mmul19@aol.com 949-951-2066.

A big thanks to all of those who picked up a kit to sew at the last meeting, as well as those who have been bringing their items in. This month's meeting is the last chance to turn in all those wonderful items you've been making for our boutique. We really want this to be a big success, so even if you aren't participating in creating items, you can participate by shopping!

We have only one more sewing day, Tuesday, October 4, and really need a few more volunteers to come help sew one more item for the boutique. As usual, it will be at Mary Mulcahey's house from 10 - 2. Bring a sack lunch.

WORKSHOPS

Mary Mulcahey mmul19@aol.com 949-951-2066

We had a full house for Patricia Beaver's workshop and everyone had a great time learning new techniques for enhancing their quilts.

October 12th - This month we will have an appliqué workshop with Cathy Van Bruggen, featuring two of her gorgeous floral designs. She can teach you any appliqué method you like, but her specialty is "needle turn" hand appliqué and she is a master at teaching this technique. As one who always quaked at the "A-word", I can attest to her teaching skills from personal experience. This workshop is a golden opportunity to overcome your fears and learn a new skill. To make things even easier, she will have kits available for \$14.

On November 9th, we will be holding our "sew-cial". For only \$10, you can bring anything you want to work on and enjoy a day of sewing and camaraderie away from home with no distractions. A great time to work on those Christmas gifts! There might even be some wonderful goodies to snack on, so join us for a good time. There will be another "sew-cial" in December.

>Workshops are held at San Juan Mobile Estates, 32302 Alipaz, San Juan Capistrano, (turn south from Del Obispo Street; the Estates is located about 1/2 mile down on left side), 9:30 to 3:30 on the Wednesday following the SQG general meeting unless otherwise noted.

>Any kit or book fees are payable directly to the teacher. The workshop fees are \$40.00. Non-member fees are \$50.00. Please make checks to Surfside Quilters Guild; the bank will not accept SQG.

>SQG members have first priority for workshop reservations until the break at the previous general meeting. Non-members are put on a waiting list and will be confirmed to attend following the break.

>If you have a reservation but are unable to attend, please attempt to find someone to fill your space and advise Mary Mulcahey by e-mail ASAP. Refunds are available until the break of the previous month's general meeting.

HOSPITALITY

Vivien Hawker vivienhawker@cox.net 949-218-0347

A very warm thank you to all the generous ladies who brought in such delicious treats to our September meeting. Any leftovers are taken to the Surfside workshop for our quilters to enjoy the following day. If your birthday falls in the month of October, please celebrate with us by bringing in a treat for our Hospitality table, or bring in a plate of goodies anyway. We all appreciate how generous our members are.

If you do bring a treat in, please enter our Hospitality drawing for a prize. Congratulations to **Margo Grube** who won the flowers.

Our November Fest is coming up on November 8th. We will have sign-up sheets at our October meeting for volunteers wishing to bring in sweet or savory plates, or fruit skewers to our November Fest. Please stop by and sign up, we rely on our members to make the meeting a festive and filling occasion.

SAN CLEMENTE PRESBYTERIAN CHURCH
119 AVENIDA DE LA ESTRELLA IN SAN CLEMENTE

Please join us at Philanthropy on October 19 from 10-2. We sort, design, cut, and sew. Just bring your sewing machine, scissors, rotary cutter and neutral thread. Pack a lunch and come and enjoy being with other quilters as we make one of a kind quilts for many different out-reach programs.

We especially need quilts for teenage boys.

Christmas and batik fabrics donated would make good fat quarters and kits to be sold at the meetings. Unable to join us, and do not know what to do with that top or quilt you made? We will finish it and find it a happy home.

As always our host church is grateful for the small toiletries.

Vickie Janis made this Halloween quilt after a road trip to "Roxanne's, A WWish is a Wish & a Dream" in Carpinteria. She says it is a very fun shop in a little beach town. The back is Minky which she bought years ago and it was the perfect color and fit for this quilt.

FRIENDSHIP GROUPS

Monica Shafer immshafer@yahoo.com 949-362-5524
Maggie Bell mbell62@aol.com 949-488-3011

Tuesday, October 25 at 10 am there will be a get-together with the Designing Women friendship group at **Mary Freedman's** house. Anyone interested in looking for a new friendship group is welcome to join us. I will be demonstrating the English Paper Piecing method I'm using to make The New Hexagon Millefiore Quilt. This group is looking for new members to join them. They meet the fourth Tuesday of the month at 10 am, and at noon they go to lunch. If this sounds like fun to you, come to the get-together!

There are two new interest lists that are being started this month. A list for people interested in forming a scrap quilting group has already got a few names on it. During the September workshop several people explored the possibility of starting a group centered on coloring, either on fabric or in books. The teacher, Patricia Beaver, showed us how to create quilt blocks using crayons to color in line drawings like the ones in coloring books, or the old Aunt Martha iron-on embroidery patterns. Since coloring is a huge trend now, there may be lots of people interested in this group.

MONTH FOUR
October 2016

BLOCK OF THE MONTH: TABLE RUNNER

In October we make our second table runner basket, made from Dresden Plate pattern wedges. We will have patterns for it and the last few months at our table at the guild meeting. Come by and say hello and let us know how we might help, or email us at bishop370@aol.com or Susanrussell2665@gmail.com with any questions.

FABRIC FUN PATCHWORK TABLE RUNNER - MONTH FOUR
BASKET # 2

finished size 8 inches — unfinished size is 8 1/2 inches
(s/a=seam allowance)

Finished size 8 inches - unfinished size is 8 1/2 inches (s/a=seam allowance)

This basket is made with eight Dresden Plate wedges. Choose your method of appliqué and be sure to read through the directions before beginning ** Make a template of the patterns with freezer paper or cardboard. **Pattern sheets will be available at the October meeting.**

Basket: If using freezer paper or needle turn, cut the templates with the s/a as shown on the pattern page. Turn the curved edge under on the s/a (seam allowance) before sewing the wedges together. On the top two side wedges, turn the s/a under 1/4 inch.

If fusing the basket onto the background fabric, cut each wedge with the side s/a, but DO NOT include the scalloped edge. Sew the wedges together and press all seams in one direction. Eliminate the top seam allowance for the top two wedges so they are raw edge.

Handle: Use one of the basket fabrics for your handle. **For using freezer paper or needle turn,** add a 3/16 to 1/4 inch s/a. **For fusing,** cut fabric just like the template. With either method, tuck the handle under the top wedges.

Flowers: Cut each flower from a different color to coordinate with your patchwork squares. Add a s/a if using freezer paper or needle turn.

Leaves: Cut three leaves from green fabrics. Add s/a if using freezer paper or needle turn.

Background Fabric: find the center of your nine inch square by folding it in quarters and press lightly. If using **freezer paper method**, position prepared pieces on the square in numerical order by following the template page. Tack down with washable glue. **If fusing,** iron your prepared piece onto the background square in numerical order of templates, leaving equal margin on all sides.

Appliqué the pieces using your chosen method. If fused, sew down the pieces with a buttonhole stitch or small zigzag stitch to hold the edges. Trim the block to 8 1/2 inches.

Instructions for embroidery will be given later.

Deanna Garcia won the September drawing for the workshop.

Margo Grube won the drawing for the flowers on the Hospitality table.

It was with great sadness that the guild sent out our condolences to **Karen Wendel**, VP-Facilities, and our dear friend, in the loss of her husband Bruce. Please, if you have a chance, send a note or card just to let Karen know that she is in your thoughts.

Angela Miller

Judi Killberg

Good wishes go out to **Jane Salem** who slipped at our Sep. meeting and dislocated her elbow. And also to **Ursula Hartunian** who had knee surgery.. We hope that **Margo Grube's** hurt knee will quickly heal.

If you know of any joys or concerns please let Judi or Debbie know so that we can reach out to our members.

Primitive Gatherings

Vickie Janis

September brought 7 quilts and things made by 6 of our members. Summer is over, the days are getting shorter, it's time to get your Spooktacular Show and Tell items together to share at the October meeting. Dust off the Halloween jackets and sweaters, scarecrows and skeletons! Don't be a scary cat; there won't be any boooooing!

NOTE: There will not be Show & Tell in November due to November Fest.

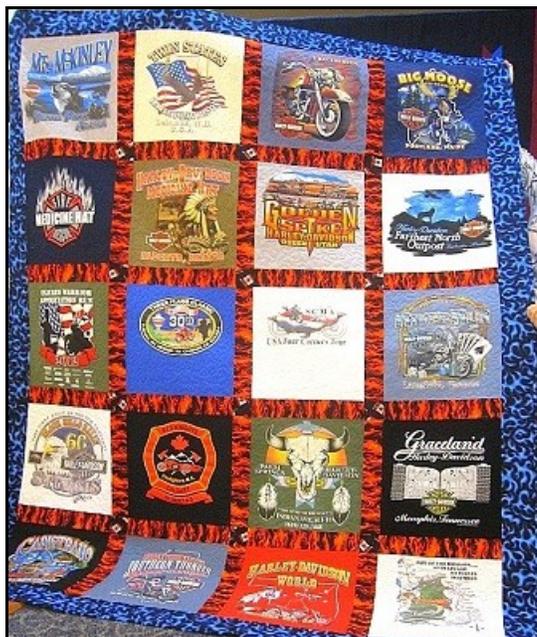

Joan Orris

This is the back of the Christmas Quilt #6. Great long arm pattern.

Christmas Quilt #6 (?) made by **Mary Freedman** as a donation to her car group. Sold to grandpa of Molly, his only grandchild. It will be put on her bed as a surprise at Christmas time. Quilted by Terry Kerr.

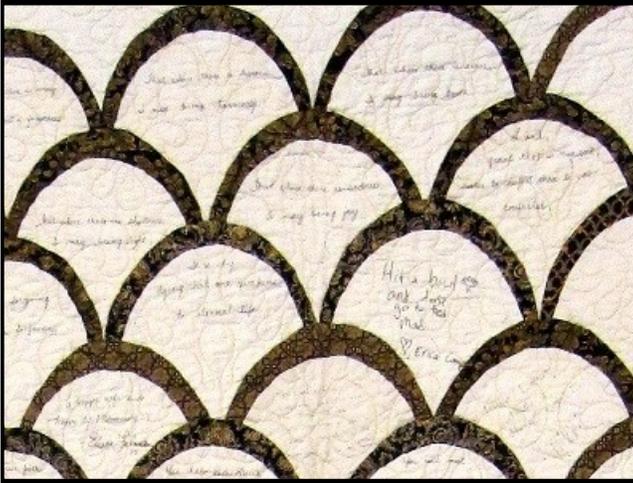

Carolie Malenius used an Alex Anderson kit to make this quilt. The kit had 25 light and 25 medium fat quarters. She started it on vacation last year and finished it just before they went back to Wisconsin this year.

Harley T-shirt quilt made and quilted by **Elizabeth Geer**. Her husband, Bob, rode 168,000 miles on his motorcycle all over the USA. Elizabeth rode over 40,000 miles with him. He wanted a T-shirt memory quilt to highlight some of the special places he traveled.

Wendy McCalley used a pattern from Primitive Gatherings to make "My Pumpkin Quilt". **Linda Rigdon** cut the 1-1/2" squares from Wendy's scraps (972 squares). Wendy pieced and machine quilted it.

Monica Shafer showed Dalton & Nicole's Wedding quilt. Hand pieced signature blocks with the theme "How to Have a Happy Marriage". Quilted by Cosmic Quilting.

"Scrabble Jack" was made by **Vickie Janis** from a Happy Hollow Designs pattern using fusible grid. She purchased the kit at Road2CA in 2013. She kept the kit on her desk so she would start and finish it. Finally.

IRONING TIP

You might find this item interesting, from The Quilter's Shoppe of Arlington, WA.

This tip may not make your sewing easier but it may save you some money and aggravation! Do you own a newer iron? One that you purchased in the last 10 years or so? You can extend the life of your iron if you always turn the dial as far down (or off) as you can before you unplug it or flip the switch on your surge protector. These irons have little computer brains (chips) and much like your TV's, computers or other electronics they don't take kindly to a "forced shut down", or maybe even more damaging to reboot to "High" when you plug them back in. I have replaced so many irons over the last 6 years at the Shoppe that I finally sent an email to a manufacturer who confirmed this info in a reply. Older irons or irons that are not electronic don't mind the forced shut down. Right now, after trying several different brands, I'm using the Rowenta irons in the Shoppe and at home. I really like the model made in Germany and I also stock a lower priced Rowenta that is made in China – both are in the classroom and set up for use if you are thinking of a new iron and want to try them out."
