

The background is a light gray surface featuring a complex arrangement of 3D cubes. These cubes are rendered in various colors: dark blue, teal, mustard yellow, and purple. They are positioned at different angles, creating a sense of depth and perspective. Overlaid on this geometric pattern are several thin, white, wavy lines that flow across the frame. A single, solid orange line is visible in the bottom right corner, curving upwards. The overall aesthetic is modern and abstract.
